— BAR HILL'S GOLDEN JUBILEE —

On 24th May 1967, the first residents moved into Bar Hill, occupying houses in Acorn Avenue. The year 2017, therefore, marks Bar Hill's 'golden jubilee'. A full year of events is being planned and a broad outline has already taken shape. Crowning the year will be a 'bigger than ever' Fete on 1st July. Other events already planned include a celebratory dinner, a flower festival, a performance of the musical *Godspell*, and a weekend of events at the end of September.

A preliminary schedule will be published in December's Bar Hill News with a near-final version the following February. Village organisations are being asked to book a date for an event or events, however vague, for inclusion in the schedule. For more details, or to book a date, please contact me at 11 Almond Grove; tel: 01954 780304 or e-mail roger.hall90@ntlworld.com.

— PARISH COUNCIL NOTICE —

Responsible owners clear up their dog mess.
Bin it or take it home.

Anyone found to be not clearing up after their dogs will be prosecuted and fined. The Parish Council takes this seriously.

Not only is it a nuisance but is associated with various diseases including toxocara canis.

The District Council has the power to prosecute and will send a team to clear up: www.southcambs.gov.uk 'Report It'

The Parish Council is looking to install additional bins to help alleviate the problem and welcomes suggested locations from dog owners.

— PARISH COUNCIL NOTICE —

Thriller Unit

Just before the school holidays commenced in July, an incident occurred in the children's play park on the village green which resulted in the Thriller Unit being broken due to misuse by some "adults".

Sadly for young children the equipment was made both dangerous and unusable and was therefore out of action for the entire summer school holidays whilst specialist parts were manufactured and reinstalled by Wicksteed. Regrettably these repairs have cost us a total of just over £600 which represents a significant amount of our annual play equipment budget.

The Police have been informed and we understand they are checking local cameras and investigating this as a criminal offence.

Can we also at this time please remind parents to note the age specific signs for all of the pieces of equipment in both this fenced off children's play area and in the other areas of the village, and pass this information to their children.

The Council can only apologise to all the children for not being able to provide full play facilities over the school holidays.

— NEIGHBOURHOOD WATCH —

Yes, the evenings are drawing in and we have to switch lights on earlier. Now is a good time to get into the habit of not leaving your house in darkness while you out. A totally dark house, in amongst others which are obviously occupied, can be too tempting to a burglar; and after an evening out who wants to come home to distress and possibly a mess?

- ☺ leave a radio on when you go out during the day.
- ☺ leave a light and radio on if you go out after dark (but not just in the hall – who lives in their hall?).
- ☺ invest in plug-in timers so if you go out in daylight but will be home after dark, lights will come on (a set of 3 only costs about £15 and are easy to programme).
- ☺ look out of your front window at night (eg before going to bed) and report anything suspicious; burglars know most of us don't look out once our curtains are drawn.

We might not like the darker evenings but let's keep our homes and village safe.

— LETTERS —

Dear Editor

With so many reports about badly behaved children, I would like to compliment the parents of four youngsters I met recently.

There is a group of 4-6 boys, I think about 8-10 years-old, who have a 'den' in the woodland opposite 11-14 Appletrees. One of the boys high-fived me for spraying the stinging nettles. They were very chatty and polite. It's great to see children out and about like we used to be. Maybe other residents could clear overgrown areas to help the Council, which doesn't have the resources to do so.

Best wishes

Gail, Appletrees

Dear Editor

Cambridge City Foodbank is looking for two volunteer drivers to collect items from the public collection point at Tesco Bar Hill and take them to the Foodbank warehouse in Orwell Furlong, Cambridge, just opposite the Science Park. Collections need to be made weekly, and on a Tuesday morning to fit in with other scheduled use of the Foodbank van. One potential driver has already volunteered, so the commitment shouldn't be too great, although of course flexibility would be much appreciated. Here's the official announcement:

"Drivers for Foodbank Transit van

Two vacancies for Tuesday mornings to enable us to collect from a new supermarket. Regular car driving license is sufficient. You need to be physically able to load and unload crates some of which can weigh around 10kg."

Feel free to talk to me in the first instance, if you like, on 01954 781233 or e-mail volunteers@ccfb.org.uk.

Thank you.

Chris Avery

HELP WITH THE BAR HILL NEWS — THANK YOU —

Over the past few months you may have noticed an appeal for help with the production and distribution of the Bar Hill News.

I'm very pleased to report that I've had sufficient new volunteers to fill the vacancies and we also have a few reserves to cover holidays, illnesses, etc. Some of the existing volunteers have also offered to take on additional or alternative tasks. I'd like to thank everyone who is involved in the production of the BHN, whether you have been helping for years, have recently stopped or are one of the new volunteers. There are about 50 of you and we couldn't do it without you. Thank you.

Dear Editor

Cambridgeshire Special Constabulary

We're looking for people to become Special Constables in Cambridgeshire. If you take an interest in your community and want to make it a safer place, why not consider applying?

Being a Special is a great opportunity to get involved in the exciting world of policing and involves a minimum commitment of only four hours a week. It will also provide you with a broad range of skills and experience, which would be valuable on any CV.

Specials provide support over a wide range of policing activity, from roads policing, football matches, emergency response to major crime, and other specialist areas such as domestic abuse and the rural crime team.

Like their regular colleagues, Specials are sworn in by a magistrate and have the same powers by law, including power of arrest.

We also encourage employers to support their staff in volunteering as Special Constables, through our Employer Supported Policing Scheme (ESPS), a partnership which benefits all involved – the employer, member of staff, the police service – but most of all helps increase public safety and confidence.

To find out more or to apply, a new pamphlet about becoming a Special is available at

<http://ow.ly/1OJW303virg>

Many thanks for publishing this message.

Dear Editor

Studio Lambert, makers of programmes such as the BAFTA-winning Gogglebox, Undercover Boss and Tattoo Fixers, are currently making a new programme for ITV and are looking for families from across the country to take part.

The programme will see those chosen to be included going on their usual holiday with two other families and showcasing why their holiday is the best, and then experiencing the other families' ideal holiday too. It will require an open mind, a sense of adventure and a passion for your style of holiday. Each family has a chance to win a great holiday – all they have to do is persuade the other families it's great too.

If anyone from Bar Hill would like to be considered for this programme, or knows someone they think might fit the bill, please e-mail us at holidays@studiolambert.com or call 020-3040 6854.

Whether you are a family of all-inclusive sun worshippers; love spending time at a coastal campsite; can't get enough of self-catered city breaks – the art, the museums, the food... If you think your family has the best time, we want to hear from you.

Filming will take place during October half-term 2016.

Closing date for applications is 16th October, so hurry and make that call!

Many thanks

We are now well into the school year.

There has been lots of excitement, hard work and learning. Thanks to all parents and carers who helped prepare the children for the start of school. It was an excellent start!

This year we are planning to spend a great deal of time on personal, social, moral and health education alongside our core academic curriculum. We are doing this because we have noticed that with the increased rigor nationally in the new national curriculum, some children demonstrate increased anxiety and tension which can lead to fractious relationships and less enjoyable learning. While we can't return the curriculum back to the more child-friendly creative curriculum of a few years ago, we can support them with lessons about how to develop good mental health and how to manage stress and anxiety.

The school has started to introduce techniques such as "mindfulness" as a way of helping the children reflect on their feelings. We are aiming to help the children become more aware of negative feelings such as anger before these feelings affect behaviour. Similarly, we have started to introduce extended periods of quiet and silence within the school day to help children experience moments of calm and reflection.

We have also re-designed our anti-bullying support group under the leadership of Miss Binnie. The Anti-Bullying Council has been replaced by Values Leaders in Year 5 and 6 who support children who believe that they are being treated unkindly or are being bullied. This group, along with our Play Leaders and Student Council spend a large amount of time trying to support children to develop good behaviours on and off the playground. With a push to support the emotional well-being of the children, we should be able to continue to achieve our excellent academic results (well above national and county averages and the best in the local area) while also helping the children to maintain good mental health and, as a result, good behaviour even when feeling stressed – skills that will hopefully last a lifetime!

Yours sincerely

Dr Al Mistrano, Headteacher

SPARE A FEW SECONDS TO SAVE OUR HEDGEHOGS

Hedgehogs are the nation's favourite wildlife animal, yet few people are aware of how seriously in decline they are. Sadly the main reasons for this is because of human interference – including...

Agricultural intensification: destruction of hedgerows to create larger fields and use of chemicals which kill their potential food supply.

An increase in roads, traffic and building projects: collisions with vehicles is a common form of mortality. 150,000 are killed on roads each year. Roads may also act as barriers to the movement of hedgehogs, isolating populations and thus reducing future breeding. We are also building over valuable wildlife habitats and leaving rubbish around that can injure or trap hedgehogs

Climate change: changes during summer can compromise hedgehogs' ability to build up enough fat reserves prior to hibernation. Changes during winter might make them more likely to come out of hibernation when there is little or no food available.

How you can help

Back gardens are our biggest nature reserve, so it is vital we open them up to help save the hedgehog.

A great way to help these wonderful animals is to make our gardens more wildlife friendly by having green areas and a wild area where there is a quiet spot. Leave a few gaps in your fence so they can travel from one garden to the next. A hedgehog can travel 1.5 miles every night.

Another important point: careful use of strimmers and other garden tools. It's not enough to just look as you cannot see hedgehogs asleep in the long grass, you need to make some noise around the area to waken or alert sleeping hedgehogs and then gently feel around the area with your foot or hands. It takes a little more time but it's worth it – thousands of hedgehogs are maimed and killed every year needlessly. If the public don't get on board, the European hedgehog could be close to extinction in 10 years.

Please put out water during dry spells and especially in very hot weather, as they can become dehydrated very quickly.

Hedgehogs are nocturnal so if you see them out during the day they may be ill and need urgent treatment, so will need to be taken to a hedgehog hospital. Bar Hill's closest SWCC Hedgehog Hospital is next to Shepreth Wildlife Park, Shepreth, Herts SG8 6PZ. It looks after many hedgehogs who may be dehydrated, poisoned, underweight or orphaned. Sadly many of those brought in with serious injuries (e.g. due to strimmers) have to be humanely put to sleep. We manage to rehabilitate many and they are released into a safe area which we have previously site checked.

The hospital is open 7 days a week from 10am-5pm. If you need any advice on hedgehogs, please contact the hospital on 07505 651968; out of hours: 07771 457693.

Our humble hedgehog is now listed as a species of principal importance to protect. It is no longer enough for people who work in conservation to try to save them but everyone needs to help, or future generations may never see a wild hedgehog.

— COUNCILLOR NOTES —

Devolution – there is much discussion at present about Devolution. The Government is talking to councils across the UK. Devolution is when certain powers, responsibilities and funding are transferred down from central government to local regions. This could mean that more important decisions are decided by a local combined authority rather than being imposed by government as well as new funding. This would include decisions on things like housing, transport and major infrastructure projects. Communities and businesses in Cambridgeshire and Peterborough were asked to have their say on the latest proposals and the results of this will be debated by Councils across the areas and have been shared with Government. This will help inform the final decision whether to go forward. Around 4,000 people across Cambridgeshire and Peterborough had their say in a series of consultations.

There is so much information; please go to www.cambridgeshire.gov.uk/devolution to get more informed. Also see Lynda Harford's report.

Recycling – South Cambs and Cambridge City Councils are looking for residents to become detectives to identify 'Unusual Suspects' around their homes that are often missed for recycling. Residents can boost the type of items recycled as 'Unusual Suspects' such as aerosol cans, foil trays, beauty crème jars and toilet roll tubes are often missed. Waste bosses on the hunt for more recycling have said that residents are used to recycling items such as plastic drinks bottles, food and drink cans, jam jars, cardboard boxes and newspapers in their kitchen, but items often found in other rooms, such as soap dispensers, bleach bottles and spray cleaners, are often missed. If everyone in the UK recycled one toothpaste box, it would save enough energy to run a fridge in over 2,000 homes for a year. Or, if they recycled one aluminium deodorant aerosol can, enough energy would be saved to run a TV in over 151,000 homes for a year. One aluminium air freshener aerosol can produce enough energy to vacuum over 876,000 homes for a year. Also, recycled plastic bottles can transform their identity to the point they are unrecognisable – children's toys, T-shirts, fleeces, garden furniture – the list goes on.

To find out more information go to Recycle Now's Facebook page www.facebook.com/recyclenow/ or website www.recyclenow.com.

Apprenticeships – South Cambs is urging firms to create more apprenticeships to develop local talented young people. Plans were presented at the Cabinet meeting on 15th September and councillors were asked to back the plan and make sure career paths are in place so the Council can aim to turn apprenticeships into permanent employment at the end of training. There are almost 5,000 businesses in South Cambridgeshire and even if half of those took on one apprentice it could create 2,500 opportunities for young people.

– CAMBRIDGE OPEN ART EXHIBITION –

This will take place at Swavesey Village College on Friday 18th, Saturday 19th and Sunday 20th November.

With something for everyone – paintings, prints and cards to buy, creative activities for children, win-a-picture draw and an interactive installation – this is a must-see event just before Christmas. The Preview Reception takes place on Friday 18th at 6.30pm and the Awards Ceremony will be opened by local MP Heidi Allen. Tickets are £5 available from SVC box office from Monday 24th October, or you can buy online: www.ticketsource.co.uk/swaveseyvc.

Free entry over the weekend with plenty of parking. Already established as one of the major art events of the year, local artists from Cambridgeshire and further afield were quick to respond to the 'entries open' call in mid-July. Visit the new website www.coax.org.uk. There will be over 300 works on display and no commission is taken on sales in order to keep prices well within the reach of pre-Christmas buyers.

The artists compete for the Cambridge Art Awards with a top prize of £500, runners-up awards of framing prizes kindly provided by Milton based HMC Framing and this year the Top Twenty chosen artists will go forward to a two week exhibition at the Babylon Gallery in Ely. COAX is completely self-funding, no public funding has been applied for and the voluntary organisation relies on local businesses for prizes and support. This year it will include a charity event in aid of Jahabeto Orphanage in Kitale, Kenya.

The pupils and staff at Swavesey Village College are involved in all aspects of raising the exhibition and this provides an excellent learning opportunity for the students, ranging from practical hanging arrangements, to meeting and discussing artworks with artists and acting the role of reporters and photographers interviewing judges and audience.

Please contact Arts Development Manager, Phoebe Monk at Swavesey Village College for more information – info@coax.org.uk.

— COUNTY COUNCILLOR REPORT —

Devolution will face its next test at the end of October when all councillors in Cambridgeshire and Peterborough will vote on whether to enter into a Combined Authority. Over the summer there have been two consultation exercises. An independent survey of residents was undertaken by MORI, which showed that 55% of respondents in the local community supported devolution, with only 15% being opposed. Over 80% of residents felt that decisions are better made locally with generally three quarters supporting the range of devolved housing, transport and infrastructure powers and budgets contained in the proposals.

An online consultation generated over 1,500 responses – far higher than in other parts of the country. In this poll 55% supported the general principle of devolving powers from central government to Cambridgeshire and Peterborough. In every authority area for Cambridgeshire and Peterborough more people supported the principle of devolution than opposed it. Just under a third of respondents [31%] supported having an elected Mayor for Cambridgeshire and Peterborough, with 59% opposed.

A report on the consultation has been sent to the Secretary of State for Communities and Local Government. The full report can be found at: <http://www.cambridgeshire.gov.uk/devolution>.

The *Local Government Boundary Commission for England* has published its final decisions on a review of Cambridgeshire County Council. There are no appreciable changes to the original decisions published in February. The new report confirms that Bar Hill division will comprise only Bar Hill, Dry Drayton, Girton and Lolworth. Sadly, as previously published, we shall see Boxworth become part of the Swavesey/Papworth Division.

In its continuing efforts to support older people remaining in their own homes, the County Council part funds the *Cambridgeshire Handyperson Scheme*. The Age UK run service aims to prevent accidents by offering a free personal assessment, home safety check. Available to those over 65 years, it can also arrange for small jobs to be carried out. More information available on Age UK's website or contact: 01480 700205 or 0300 666 9860. Consultation continues until 10th October on the *Greater Cambridge City Deal* proposals to address rush hour congestion. Go to: http://www.cambridgeshire.gov.uk/site/custom_scripts/cons_details.aspx?ref=516 to express your views.

If you would like to know more about what's happening at the County Council, please let me know and I will add you to the circulation of the full report I write monthly for parish councils.

— OCTOBER BULLETIN —
FROM CAMBRIDGESHIRE
FIRE AND RESCUE SERVICE

Winter is coming and Cambridgeshire Fire and Rescue Service is encouraging all residents to get their chimney professionally swept before the cold sets in.

Top tips to enjoy an open fire safely:

- Sweep your chimney at least once a year and get brickwork inspected, especially the chimney breast and roof space.
- Do not bank fires too high or overload the grate, and remember to let them burn down well and check the hearth before going to bed.
- Use a fire or spark guard to prevent accidental fires.
- Do not place objects on or over the mantle-piece which may cause you to stand too close to the fire to reach or use them.
- Burn only suitable fuels and avoid burning resinous woods as soot builds up quickly.

Above all, ensure you have a working smoke alarm fitted on each floor of your home and a carbon monoxide alarm installed.

For the latest news, incidents and safety advice, or to contact us, either call 01480 444500; log on to www.cambsfire.gov.uk; sign up to e-mail alerts; or find us on Twitter, Instagram, YouTube and Facebook.

— SCAM OF THE MONTH —

There is a phishing email currently in circulation that claims to be from the City of London Police, supposedly representing the 'Fraud Intelligence Unit' and the 'National Fraud Intelligence Bureau'. The email is titled 'compensation fund' and has a letter attachment that claims to be offering financial compensation to victims of fraud. The letter uses the City of London Police logo. The letter states that in order for compensation to be arranged, the receiver of the email should reply disclosing personal information. It states that HSBC and the South African Reserve Bank have been chosen to handle the compensation claims. All of these claims are false. *The email and letter are fraudulent and should not be replied to.*

— WILDLIFE TRUST —

Huntingdonshire Local Group

There will be an illustrated talk about Badgers on Wednesday 12th October at 7.30pm.

The presentation will be given by Patrick Barkham, who will focus on their secretive life, covering items such as habitat, social organisation and the conservation issues that affect one of our favourite mammals.

Farming for Wildlife will be the topic of an illustrated talk on Wednesday 9th November at 7.30pm. The talk will be given by Nicholas Watts, who owns Vine House Farm in Lincolnshire, a traditional arable farm in the Fens. He will tell us about the conservation measures he uses whilst farming in order to create and maintain a wide range of habitats and thereby encourage wildlife. Nicholas grows seed specifically for bird food, benefiting Wildlife Trusts with donations from his profits. In 2013 Nicholas was the winner of the RSPB Nature of Farming award.

Both talks will be held at Brampton Memorial Hall, Thrapston Road, Brampton PE28 4TB.

Anyone interested in wildlife is most welcome to attend either talk. Booking is not necessary. Entrance charge £2.50 (accompanied children free). Please contact Tim on 01480 457795 for more information.

Public Health England is urging young people starting university or college to have a vaccination to protect them against four strains of meningitis. If you have not had this vaccination please contact the surgery for advice.

Flu vaccinations — we should have received these by now. Please call and book your appointment. The vaccination is recommended — and free — to patients over-65, pregnant women and patients with long-term medical conditions regardless of age. If you are unsure please ask. Private flu vaccinations are available at a cost of £10 for those who are not eligible for NHS vaccinations. Please ask in Pharmacy.
